

So you want to be a representative.....

- **We have one representative for each class in Years 3 to 6**
- **It's an important job**

We need to.....

- **Listen to the views of our class**
- **Take their views to council meetings**
- **Let our class know what happens at meetings**
- **Take an active part at meetings - listen and discuss**
- **Talk to the younger children about what we do**
- **Engage in activities to support "The Rotakids" organisation**

A good representative is.....

- **Approachable - the class needs to be able to talk to you**
- **A good listener**
- **Efficient - do a lot in a short space of time**
- **Fair - everyone has a right to a point of view**
- **A good communicator - talk and listen to children and staff**
- **Assertive - the opinions of your class are as important as everyone else's**
