

Online Learning Resources Key Stage 1 (Years 1 & 2)

In order to enhance the learning opportunities for your child when in the home environment, we felt it may be useful for you to know that you can access the online resources listed below that we utilise in school.

They are available for home use at no cost to yourselves by using the following links:

<http://www.educationcity.com/>

<http://www.phonicsplay.co.uk/>

<https://www.mymaths.co.uk/>

<http://www.ictgames.com/resources.html>

<https://www.activelearnprimary.co.uk/login?c=0>

“My Maths”, “Education City” and “Active Learning Primary” (SPAG Bug) are accessible by using the child’s username and password that you will find inside the front cover of their reading record which should be brought home daily with their reading book. The other 2 resources do not require a login or password and contain games and activities to supplement learning.

If you have any queries, please contact your child’s class teacher in the first instance.
