

English

Aesops Fables

We will be reading and writing fables, converting fables into playscripts, and interviewing different characters from fables.

Maths

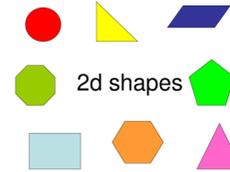

Place value in context of measures

Mental calculations (money, measures, statistics)

Mental and written multiplication

Time

2d and 3d Shape

Science

We will be learning about the different parts of a plant and their functions. We will also be learning about what conditions plants need to grow.

We will also have the opportunity to grow our own plants.

Computing

We are opinion pollsters

Looking at using netbooks/ iPads to survey and present data

P.E.

Athletics

Learning to pass a baton in a relay race, correct jumping technique for standing long jump, vertical jump and triple jump. Short distance running with a focus on how to sprint and improve your personal best..

Summer 2

French

ON FAIT LA FÊTE

To know the names for different activities. To be able to say which activities they are good at. To be able to say how old they are and when they were born.

R.E. & Virtues

What do religions teach about the natural world and why should we care about it?

We will revisit looking at the natural world with a specific focus on charities and how they care for our world as well as other people.

Sensational Start:

Creating colourful displays

Extraordinary Extra:

Skype conversation live from a rainforest setting

Fabulous Finish:

Sampling rainforest foods

Theme

Rainforests

In this theme we will be learning about rainforests in different parts of the world, their importance and the threats to their survival. We will also be creating our own colourful world maps as a class to show the different areas rainforest thrive.

Animal Magic

In this theme we will be visited by the English Falconry Centre who will show off their talented birds and answer any questions the children may have about their diet and their amazing senses. We will also explore several music pieces linked to animals and try to recreate using voices as well as musical instruments.
