

English

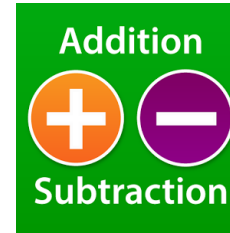

This term we will explore the popular fiction stories of Tinga Tinga Tales. Our work will include story writing instructions, poetry and diary entries based on the characters we read about.

Maths

We will be covering:

- Numbers within 100
- Addition and subtraction of two digit numbers
- Addition and subtraction word problems

Science

Living things and their habitat

We will be learning about a variety of living things including where they live and what they need to survive. We will be discussing how living things obtain their food, using the idea of food chains.

Computing

Using technology

We will be making ourselves familiar with technology by exploring computers and ipads. We will be learning how to operate them and their software.

P.E.

Gymnastics with wall bars

Autumn 1

French

INSTRUCTIONS/PARTS OF THE BODY

- Recognise and perform instructions
- Recognise words for parts of the body
- Sort words into masculine and feminine

R.E. & Virtues

In R.E. children will learn how and why we celebrate special times.

Our virtue for this half term is:

Forgiveness

Sensational Start:

Visit in school from 'Reptile Life'

Extraordinary Extra:

Make honey/apple sandwiches.

Fabulous Finish:

Trip to Stockwood Discovery Centre to study Bees.

Theme

Endangered Animals

- Design functional, appealing products for themselves and other users based on a given design criteria
- Select from and use a range of given tools, equipment and materials to perform practical tasks (for example cutting, shaping, finishing and joining)
- To understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed
- To know events beyond living memory that are significant nationally or globally (for example the Great Fire of London)

Let's Remember
