

English

Myths and Legends

We will be learning about a wide range of myths and legends. This will involve reading and writing:

- ◇ **Playscripts**
- ◇ **Stories**
- ◇ **Poems**
- ◇ **Instructions**

Maths

This half term we will be looking at:

- Place value
- Decimals
- Geometry, including area and perimeter
- Statistics

Science

Living things and their habitats

- *To identify and name a variety of common animals that are carnivores, herbivores and omnivores
- *To describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird
- *To describe the life process of reproduction in some plants and animals.

Computing

We are Game Developers

Children will research the different aspects of a computer game. They will use programming software such as Scratch to build a simple computer based game.

P.E.

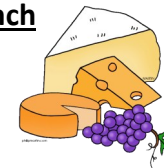

This half term we will be working on our Athletics skills in the V360 Sports Hall

Autumn 1

French

Bon Appetit!

Food likes/
dislikes

Food vocabulary

Using the past tense

R.E. & Virtues

In R.E. children will learn about what keeps people going through good and bad times. Children will learn how different religions mark happy and sad occasions.

Our virtue for this half term is: Forgiveness

Sensational Start:

Making Greek pottery

Fabulous Finish:

Ancient Greek Olympics

Greek Myths

As part of our Greek Myths theme we will be learning about:

- The history of the Ancient Greek city states; their locations, how they lived and the differences in their cultures and civilizations.
- The art and architecture of the Ancient Greeks. We will also be creating our own artwork based on Greek mythology.
- Songs from 'Heroes of Troy', a story of the Trojan Wars.
