

English

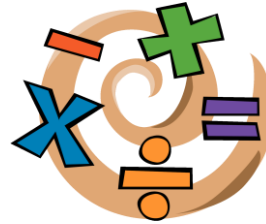

Animations

In this unit we will be reading and writing around the theme of animations. Our work will include story writing, persuasive writing, instructions and formal and informal letters.

Maths

We will be looking at place value, area and volume and mental and written methods for addition, subtraction, multiplication and division.

Science

Living Things and their Habitats

In Science we will be describing how plants and animals are classified into broad groups according to their characteristics.

Computing

We are APP builders

We will learn about the history of APPs and use our knowledge of programming and algorithms to build our own.

P.E.

Dance

We will be learning, creating and performing dances in Autumn 1.

Autumn 1

French

Notre Monde / Our World

We will be learning vocabulary relating to continents, landscapes and weather. We will be learning to use oral and written sentences to describe which continents rivers are found in and what the weather will be like.

R.E. & Virtues

In RE we will be learning about the beliefs and practices of Humanists and Christians. We will be thinking about codes which people live by,

Our half-termly virtue is Forgiveness.

Japan

Sensational Start

Calligraphy and Karate

Extraordinary Extra:

Origami

Fantastic Finish:

Dress-up day and Tea-making ceremony

Theme

In this theme we will learn about the country and culture of Japan, We will be listening to Japanese music and composing and performing our own music in a similar style. We will use geographical knowledge to locate it on maps and learn about its geographical features and topography. We will also learn about key historical events, such as the dropping of the atomic bomb on Hiroshima, and will create Japanese-style art work.
