

English
Theme Parks

In Literacy we will be using Theme Parks to create information texts, persuasive writing, recounts and story writing.

Maths

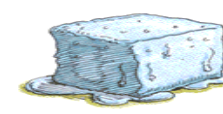

In our maths lessons we will be looking at place value (including negative numbers), addition and subtraction, multiplication, and area of shape.

Science

States of Matter

We will be grouping and comparing materials based on their properties, whilst observing changes of state due to heating or cooling.

SOLID

LIQUID

GAS

Computing

We are Musicians

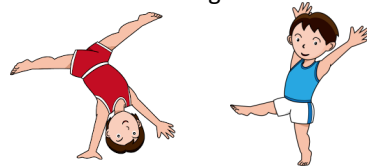

We will be looking at creating music using ICT applications such as Garage Band.

P.E.

Gymnastics

In PE we will be covering gymnastics where we will look at balance, jumping, and landing among other things.

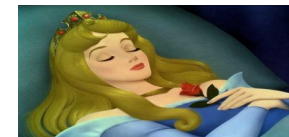

Spring 1

French

Raconte-moi une histoire

Tell me a story

We will be recognising and understanding key words and events within the story of Sleeping Beauty.

R.E. & PSHE

In RE we will be looking at how should we live and who can inspire us?

PSHE:

Health and Wellbeing

Sensational Start:

3D models of chariots.

Extraordinary Extra:

Roman entertainment.

Fabulous Finish:

Trip to Stockwood discovery centre.

Theme

Romans

Children will enjoy exploring everything from the gladiators, chariots to the impact of the Roman Empire on Britain.

Man vs Machine

During our exciting unit, we will be exploring man's fascination with machine ranging from the impact and benefits of technology and influence through art and society.
