

English

We will be studying the works of Michael Morpurgo, using these to:

- Compare and contrast themes;
- Write character descriptions and settings;
- Write letters;
- Write recounts;
- Interview the author.

Maths

- Place value
- Addition and subtraction, including problems
- Mental and written multiplication and division
- 2D and 3D shapes, including distinguishing between regular and irregular polygons

Science

Properties and changes of materials

To use technical vocabulary to describe properties of materials.

To explain why certain materials are suitable for certain jobs

To know that some materials will dissolve in liquid to form a solution

Computing

We are artists

We will be using Inkscape, a software package designed to create shapes and patterns.

P.E.

Children will learn to play competitive games and apply basic principles suitable for attacking and defending.

Spring 1

French

En route pour l'école

We will be learning about how to travel to school and places in a town.

R.E. & PSHE

In R.E. children will learn what it means to be a Muslim

Sensational Start:

Dance workshop

Extraordinary Extra:

Visit from the British Schools Museum at Hitchin

Fabulous Finish:

Victorian afternoon tea and parlour games

Theme

Street Child—Bernie Doherty

- * To develop a chronologically secure knowledge and understanding of British, local and world history.
- * To name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land.
- * To use their voices and play musical instruments with increasing accuracy, fluency, control and expression
- * To use and understand staff and other musical notations.
