Fabulous Finish:

A royal Banquet

Theme Under the sea

In this theme children will be learning about the work of a range of artists, craft makers and designers describing the differences and similarities between their work. They will also use a range of materials creatively to design and make their own products by developing a wide range of art and design techniques in using colour, pattern, texture line and shape, drawing, painting and sculpture.

Royal Family

Children will learn about etiquette and how to meet and greet the Royal Family. For the first time children will learn to sing the English National Anthem as well as what countries the United Kingdom consists of. Our main focus is history.
