

English
Shakespeare

We will be looking at a range of different texts linked to Shakespeare.

These will include playscripts, short stories and non-fiction.

We will be using Shakespeare's stories as our inspiration, reading original text as well as modernised stories. We will also be writing and performing our own interpretations of these classic tales.

Maths

Week 1 - Measurement (Area & volume)

Week 2—Mental & written division

Week 3—Fractions and percentages

Week 4—Geometry (2D/3D shape)

Week 5—Statistics

Science

Earth and Space

*To explore the movement of the planets around the sun in our solar system.

*To understand how night and day are related to the spinning of the Earth on its own axis.

*To describe the life process of reproduction in some plants and animals.

Computing

We are Web Developers

We will be learning about using the internet, building our own websites and considering internet safety.

P.E.

In P.E., we will be learning a variety of invasion games and perfecting the skills and co-ordination involved, as well as developing teamwork!
