

English

Circus

In this unit we will be reading Grimm's Fairy Tales. We will write stories, playscripts, poetry and persuasive letters.

We will also continue to develop our retrieval, inference and summarising skills when reading. Remember to read at home and quiz on Accelerated Reader!

Maths

This half term we will be revising and developing our skills relating to arithmetic, reasoning and problem solving. We will be particularly focusing on measures, area and volume, ratio and proportion and statistics.

Science

Working Scientifically

In Science we will be using the theme of Forensic Science to develop our skills of working scientifically. We will plan different types of scientific enquiries to answer questions, take measurements using scientific equipment and report and present findings from enquiries.

Computing

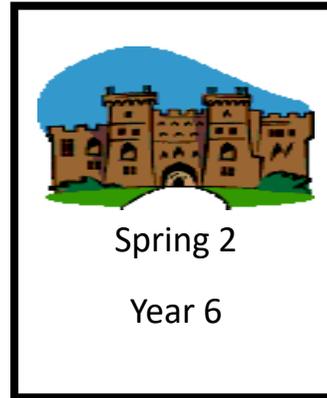

Animations

This half term we will continue to design and create our own animations.

P.E.

Outdoor and Adventurous Activities

In spring 2 we will be participating in outdoor and adventurous

French

Creating a Café

In French we will be extending our food and drink vocabulary and be learning to ask and answer questions about what people have eaten and drunk.

PSHE

In PSHE we will focus on the theme of motivation and self-awareness. This will provide opportunities for children to reflect on themselves as individuals, particularly their strengths as learners and how they learn most effectively.

Crime and Punishment

Sensational Start

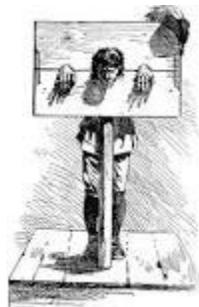

Bread Making

Extraordinary Extra:

Tower of London trip

Fantastic Finish:

Model-making workshop

Theme

Our theme this term is Crime and Punishment. During this topic we will research torture devices and design and create a finished product. We will also study the history of the British monarchy and English castles and learn about the counties that they are situated in. We will sketch portraits based on paintings of British monarchs and transfer these into oil pastels.
