

English

Our English this term will link to our theme of 'Chocolate, Chaac and Chichen Itza'. We will be writing adverts and non-chronological reports.

We will also continue to develop our reading comprehension skills. Please make sure that you read and home regularly and quiz your books on Accelerated Reader.

Maths

This half term we will be revising everything we have learnt this year in preparation for our SATs. After SATs we will be focusing on problem solving.

Science

Light

In Science we will be learning about light. Through investigations we will learn about how light travels, how shadows are formed and how we see.

Computing

Presentation skills

We will use a range of computer programmes to present our learning about 'Chocolate, Chaac and Chichen Itza'. We will have to consider how to target our work to an intended audience.

P.E.

Outdoor and Adventurous Activities

In PE we will be practicing our tennis skills and playing games of tennis.

Summer 1

French

Le parc d'attractions

This half term we will be learning key vocabulary and phrases linked to theme parks. We will present short oral presentations about a visit to a theme park.

RE

In RE we will be learning about the Maya's beliefs. We will be comparing these beliefs to the beliefs of the six major religions today. We will also be considering how religion affects the way that people live their lives.

Chocolate, Chaac and Chichen Itza

Itza

Sensational Start

Maya immersion!

Extraordinary Extra:

Cooking fajitas

Fantastic Finish:

Maya information session – run by Year 6

Theme

Our theme this term is 'Chocolate, Chaac and Chichen Itza'. Through this topic we will be learning about the ancient Maya civilisation. We will produce our own temple artwork, cook fajitas and create clay statues of Maya Gods. We will also learn about the History and Geography of the Maya civilisation.
