Week 5— Fractions

Science

Plants

- Observe and describe how seeds and bulbs grow into mature plants.
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

Computing

We are Designers

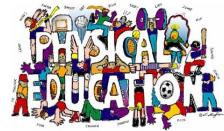

Will use technology purposefully to create digital content

Will compare the benefits of different programs

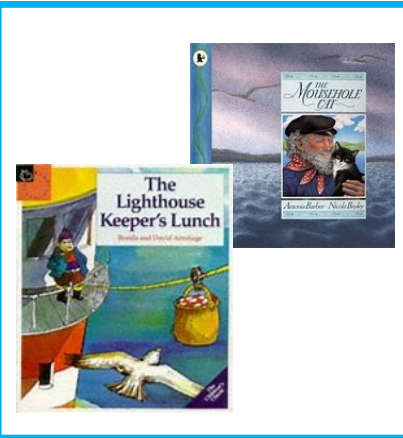

P.E.

Athletics

- *Practising running, throwing and catching skills.
- *Learning about a 'personal best'

Summer 2

R.E. & Virtues

In R.E. children will learn how and why we should care for this Earth

Our virtue for this half term is:

Enthusiasm

Sensational Start:

Seaside Investigation

Extraordinary Extra:

Make Shoal Biscuits

Fabulous Finish:

Pirate Party

Coastlines and Cutlasses

- Why do we like to be beside the sea?
- How do we know what the coastline looks like?
- What happens when the land meets the sea?
- What is it like to be a Pirate?
- When do Cutlasses and Coastlines meet?
